Our Products- Aphros Skin

APHROS SKIN was created from real spa experience and a passion for results-driven skincare. Our formulas bring together thoughtfully selected ingredients, professional skincare knowledge and the elevated experience of the spa —so your daily routine feels like more than skincare. It becomes a ritual.

Drawing inspiration from the natural elements of mother nature, our Aphros Skin product line delight the senses through nourishing vitamins, and fruit extracts. From facial scrubs, Vitamin C serums and moisturizers, our products harness all-natural ingredients indigenous to nature such as Cucumber, Aloe, Vanilla, Coconut, Vitamins C, D, B and E

Our Spa Product Line by Phytomer

PHYTOMER believes in the sea and in the power of its natural ingredients. The sea's boundless generosity, everyone's right to beauty, in the utmost importance of caring for the skin.
Believing in the science of cosmetic formulation, safety and high performance and quality commitment to creating safe, high-quality, eco-friendly skincare products.

Our Spa Product Line by Minori

Natural Skincare for those who don't wear makeup and therefore a sunscreen that is healthy for your skin and makes it look like you're not wearing any.

Other products may be found that are little luxuries & everyday essentials

Explore our thoughtfully selected collection of self-care essentials and lifestyle favorites, including body and waxing-care scrubs, soaps, bath bombs, coffee mugs, journals or a customized gift basket/box.
Whether you're refreshing your routine, creating a relaxing ritual at home, or choosing a thoughtful gift, discover little luxuries that bring a touch of joy to everyday life.

BODY SERVICES

Inspired by the beautiful traditions and majestic elements of nature, our exclusive treatments and natural botanicals will leave you feeling renewed and refreshed.

Shea Butter Sugar Scrub-50 Mins

Relax and exhale while we polish away your body's impurities. Our exquisite shea butter sugar scrub is infused with anti-aging organic extracts to smooth uneven skin, remove impurities and deliver incredible hydration. Choose your fragrance of coconut mango, lavender, or oatmeal milk & honey.

Exfoliating Salt Body Scrub-50 Mins

A moisturizing exfoliant, containing sea-derived granules, will gently slough dead cells away. Each scrub is customized with a boosting serum to target relaxation, invigoration, deep cleansing, contouring, or firming. The body is left fully moisturized and silky smooth. Choose from Pomegranate, Spirulina, Himalayan Lemongrass and Turmeric.

Silky Papaya Scrub-50 Mins

Perfectly silky skin is created with a combination of black sand, pumice stone, digestive papaya enzymes and glycolic acid. The body is massaged with this complexion enhancing blend, a final Oleocrème body milk is applied to the entire body for quenched, smooth skin. (Showerless Method)

Jasmine Tuberose Body Polish-50 Mins

Enjoy enriching your clients' rituals with our Jasmine Tuberose Body Polish. Formulated with a blend of coconut sugar, ginger root extract, jojoba oil, and sunflower oil to help soothe and moisturize, while the sweet, exotic scent of Jasmine Tuberose awakens the senses.

Dead Sea Mud Mask Body Wrap-50 Mins

Our dead sea black mud Wrap calms skin after exposure to the elements and strengthens it from within. With vitamin-rich ingredients, your skin will be revived and rejuvenated. Finished with an application of argan oil butter to lock in moisture, this keeps even the most damaged skin feeling soft, smooth and youthful. Effective treatment for psoriasis, eczema, arthritis, muscle pains, and stress. Corrects uneven skin texture on arms, legs, posterior, and torso and soothes, replenishes chronically irritated and dry skin

Body Firming Wrap-50 Mins (Signature Treatment)

Enjoy this anti-aging body wrap while being cocooned in firming body gel, rich in anti-aging sea minerals. Skin toning extracts are absorbed as you receive a soothing massage to penetrate all of the firming elixir to immediately hydrate, tighten, and stimulate the skin. After repeated use, anti-aging affect will be noticed on skin lacking elasticity due to childbirth, sun damage, or significant weight loss. (Showerless Method)

Curve Slimming Wrap-50 Mins

The sea slimming wrap is full of powerful fat-fighting ingredients, thanks to remarkable algae that contain special fatty acids, minerals and antioxidants capable of restoring our cells' fat burning abilities, while increasing the circulation and drainage of fluids from the tissues. After a slimming & firming massage performed with a fat burning massage medium, the body is wrapped in a mask made of Algae Jam to help with restoring slenderness and firmness to the silhouette. Enjoy one treatment for a slimming boost or a series of treatments for a sustained result.

BODY CONTOURING

Non-surgical body sculpting techniques help you get rid of stubborn fat to contour your body without surgery, scarring, or downtime. Targeting love handles, belly, back, and thighs.

Columbian Wood Therapy-50 Mins

A time-honored practice that harnesses the power of carefully crafted wooden tools. This therapy is renowned for its natural body contouring benefits, stimulating circulation, promoting lymphatic drainage, and reducing cellulite. By precisely applying the wooden tools, we can help shape the body while providing relaxation, alleviating stress, and contributing to healthier skin.

Sculpt Zone-50 Mins

Phytomer's patented oxido-reduction cellulite mask has a direct action on dimpled skin, the appearance of cellulite and excess weight. First an exclusive self-heating Thermo-Reducing Clay Mask rich in spirulina is applied from the hips to the thighs to encourage fat breakdown and elimination. After a cool rinse, a contouring concentrate and reshaping serum are massaged onto the body, breaking up fat and draining toxins. This sculpting treatment offers exceptional, rapid, visible results: up to 1 size smaller after a 5-treatments.

Ultrasonic Cavitation-50/80 Mins

At Aphros Beauty, we encourage you to take the next step without surgery to sculpt, tone and contour your stomach, back, legs, and arms using non-invasive method. Ultrasonic Cavitation is a body contouring treatment that is used to remove fat deposits under your skin. This incorporates ultrasound waves that create vibrations and pressure that break the fat cells into liquid glycerol and fatty acids to target and contour specific areas of the body. Add the 80 mins for additional sculpt benefits with wood therapy.

Ultrasonic Cavitation Consult & Assessment-In person-25 Mins

Book a consult to go over questions you may have before booking a session or treatment plan. This will include a full assessment, discovering your needs and motivations, determination of the technology/treatment needed to address that need/desire, discuss body concerns and/or multiple areas of concern you would like to be treated.

SKIN CARE SERVICES

Take a moment to indulge in a bit of face time. Putting your best face forward is top priority. Your skin will never feel as hydrated and healthy as after one of our signature facial services, designed with your needs in mind.

Classic Refresher Facial-25/50 Mins

Perfect for those on a tight schedule. This facial refresh your skin with the basic essential steps of a healthy skin care routine for the women/men on the go. Our Aphros Beauty Collection of products are used in this treatment.

Teen Breeze Facial-25/50 Mins

This facial is for teens, both boys and girls going through changes that affect skin appearance, our teen breeze facial deep cleans pores and calms redness and breakouts while reducing the appearance of acne scars. Under 15yrs

Derma plane Facial- 50 Mins

Non-evasive skin care experience that exfoliates the skin and brightens the skin. Combatting that fuzzy facial hair, you can't always see to give new, clean, smooth and radiant skin. Also consider this facial for upcoming events if you plan on applying makeup for a flawless application.

Deluxe Hydro Facial-50 Mins (Premium)

Deluxe Hydro Facial is a hydrating treatment that smooths and plumps fine lines while increasing elasticity. Moisturizing serums help to erase the signs of fatigue and bring balance to skin, soothes redness, smooths texture and firms the skin. A hydrating jelly mask adds additional purifying benefits.

Platinum Hydro Facial-80 Mins (Premium)

This invigorating skincare treatment includes all of the essentials of the Deluxe Hydro Facial while addressing your specific skin concern with a Booster of your choice. The Gentleman's Facial-50 Mins Facial-50 Mins

Experience our facial skin care for men that is formulated to meet the specific needs of men's skin with quick, simple, effective steps that ensure visible results. Combined with ultra-fresh ingredients, texture to cleanse and revive the skin.

Purifying Blemish Solution Facial-50 Mins

A facial that addresses the major symptoms of acne to help purify and normalize the complexion. First a mild dis-encrusting peel is used to soften the surface of the skin and begin the deep cleansing process. Then a deep pore extraction is performed to remove the impurities responsible for causing inflamed breakout. A special post-extraction serum reduces redness and inflammation and lastly, a cool, creamy mask absorbs impurities, while soothing the skin. Best for Oily & Acne prone skin type.

Soothe Back Facial-50 Mins

Our back facial addresses specific concerns such as congestion, back acne, and dehydrated skin in an often difficult to reach area. Your service begins with a deep pore cleanse followed by a relaxing steam to open the pores, an exfoliation using natural, plant-based enzymes, and extractions. Your esthetician will complete your service by applying a detoxifying mask to withdraw impurities and restore natural hydration to the skin.

Comforting Soothing Facial-50 Mins

A halo of softness for skin that is sensitive or subject to redness. This cocoon treatment softens the skin and improves its defense for a soothed and ideally hydrated epidermis, producing a radiant complexion. Truly gentle and comforting, this treatment acts to smooth the complexion with the localized application of a fresh, melting bi-gel and a rich, creamy mask which, after several minutes on the face, is softly massaged in to make the moment even more enjoyable.
Results: treats the sensations of tight or irritated skin or redness, the epidermis is soothed, and complexion is even. Perfect for sensitive, inflammed or rosacea skin.

Micro-Dermabrasion Facial-50/80 Mins (Premium)

This results-driven facial treatment uses a combination of mechanical exfoliation (microdermabrasion) and chemical exfoliation to brighten, remove dull surface cells and reveal smoother, brighter-looking, smooth and clear skin. This signature treatment is best for those looking to restore their glow, helps refine the appearance of uneven texture, congestion, and fine lines while refreshing a tired-looking and is the best maintenance facial to keep their complexion looking polished and radiant.

Fountain of Youth Signature Facial- 50/80 Mins

Experience Instant results for firm, smooth, plumped skin: face, eyes, lips and décolleté. Experience the art of age defiance with this all-encompassing facial that uses high-tech marine ingredients to smooth wrinkles, plump and firm the skin while restoring skin texture and natural rosy tones. After a smoothing exfoliation and heating detox-oxygenating mask, a Pro-Youth Massage is performed over the eyes, face, lip contour and décolleté with massage tools and a skin regenerating balm. This face lifting massage provides instant results to relax wrinkles and tighten the skin. Finally, a cool, jelly peel-off mask is applied to deliver a final dose of Xtra Marine Filler and to seal in the treatment's youthful benefits. This facial also includes a re-plumping lip treatment. (50 Mins excludes back & spine mud & massage.)

Non-Surgical Anti-Aging Facial-60 Mins (Signature)

This is a more advanced, results-focused facial designed to give a lifted, firmer look without injections or surgery. We customize it based on your skin and goals, however paying more attention to lifting and firming, diminishing fine lines and wrinkles. As with all our facials it will typically include a deep cleanse, exfoliation, variety of masks, targeted firming and lifting techniques, and finishing hydration and calming products. It also uses both tools and machine which will be skin exfoliator, ultrasonic face contour, radio frequency, cold ice handle to close back pores, oxygenating mist, LED Red light mask or Collagen Jelly Mask (customized by esthetician based on goals) Gusha with contouring massage movements which lift and sculpts the skin for that lifted effect followed through with serums, moisturizer and sun protection. All products used are from our premium ani-aging product line that helps to minimize and diminish fine lines and wrinkles.

Boosters & Enhancement

Add to any facial/ Body Treatment for added benefits.

Eye Treatment-This specialized treatment includes a double brush & manual three-phase massage on the eye zone with sea retinol for a wrinkle smoothing effect. A cool, firming plasticizing mask applied to the eyes delivers marine nutrients to brighten the eyes and boost vitamin C in the skin for multi-faceted improvement of the delicate eye tissue.

Lip Treatment- Exfoliate, moisturize and diminish the appearance of fine lines and wrinkles around the delicate lip area by adding this ultra-smoothing treatment to any facial. The soothing and moisturizing ingredients soften and smooth delicate tissues and restore plumpness, for a youthful and beautiful effect.

Luxury Hand/Feet Treatment - Give your hands some TLC with an ultra-moisturizing, warm paraffin like treatment filled with essential oils & shea butter during any facial/ body treatment.

Hydra Jelly Mask- Get this treatment to stimulate collagen, enhancing cell renewal and reducing wrinkles and fine lines. Your skin will thank you for this ultra boost of hydration.

Decollete Parfait- A localized application of serums & a plumping mask to fade hyper-pigmentation and smooth creased skin on the lower neck & chest. This delicate zone need not give away your true age! (Add to any facial/ body treatment).

Dermaplane- Get rid of fine facial hair commonly known as "peach fuzz" with this booster add-on. Immediate results & smoother texture giving you a clean, glowing, fresh skin appearance.

Radiance Peel- This intensive exfoliating peel combines fruit acids and marine Alpha Hydroxy Acid, to reveal younger looking skin and increase the rate of cellular turnover. It is highly recommended for clients wishing to brighten, smooth and soften fine lines and wrinkles, or to even-out the skin's color, tone and texture.

LED Light Mask Therapy-LED blue, green & red-light therapy boosts collagen production, firms the skin, treats mild to moderate acne, killing acne producing bacteria and also, provides the benefit of anti-aging.

LASH EXTENSIONS

Lash Bath-5Mins

A lash bath is a foam cleanser deep cleanse for your lashes. It helps to clean off any oils or makeup residue on the natural lash and to ensure that they're free of any debris or dust.

Lash Removal-30 Mins

Careful removal of current eyelashes from a previous lash extension service.

Classic Lashes-2.5Hrs

Classic eyelash extensions are simple, beautiful and natural-looking eyelash extensions. They are applied on a 1:1 ratio, which means one extension is attached to one natural lash. This allows you to achieve a natural enhancement.

Hybrid Lashes-3Hrs

Hybrid extensions give you the best of both worlds. The look is achieved by mixing classic lashes and volume lashes that are placed strategically to frame the eyes. Hybrid extensions offer a variety of texture and more volume, but without the sometimes-unnatural look of volume lashes. This will include singles and fans.

Volume Lashes-3-4Hrs

Volume eyelash extensions vary from a natural look which adds some length and volume, to a very dramatic and full look.

Lash Fill Ins-1.5Hrs These will be booked by your lash tech at your appointment.
These are booked a few weeks after to fill in any sparse areas. Must have at least 50%.

MASSAGE THERAPY

Hit the Spot-25 Mins

A unique set of massage techniques that are combined with the application of Swedish and Deep Tissue techniques to hit that spot where you have the most tension, whether it be the back or the shoulders. This will prepare you for a state of restorative sleep and longing for more.

Assisted Stretching-25/50 Mins

Our massage therapist will help you stretch your muscles and joints to a greater depth than you could on your own

This technique is perfect for those who need-muscle, joint, and nerve function. Tension and muscle soreness & post-workout recovery

Aromatherapy Massage-50/80 Mins

Enjoy a pure escape designed to reconnect you with your physical and energetic balance, essential Oils harnesses the healing power of aromatherapy. This ritual begins with a sensory journey of your chosen essential oil to open your airways followed by a hypnotic, full body and foot massage.

Swedish Massage-50/80 Mins

At Aphros Beauty, we encourage you to take the time to reconnect and reflect on a l that brings you joy, relaxation and happiness. Designed to alleviate muscle tension, through slow, gentle, relaxing techniques that uses long, smooth strokes, kneading, and circular movements this therapeutic massage offers much needed relief and comfort.

Deep Tissue-50/80 Mins

Specifically designed to alleviate muscle tension, we offer much-needed relief and comfort. Our expert therapists use arnica cream to soothe sore muscles, while using arnica tension relief gel targets muscle tightness and fatigue. Allow us to work out any kinks and knots in your body, leaving you feeling renewed and refreshed.

Hot Stone Massages-50/80 Mins

Harness the healing power of heat for total body well-being. Our hot stone therapy utilizes therapeutic stones and aromatic oils, combined with a customized massage, to alleviate muscle tension and promote deep relaxation and balance. Experience the restorative power of this treatment, leaving you feeling renewed and stress-free.

Lymph Drainage-45 Mins

This technique stimulates the lymphatic system and redirects fluid to decrease build up within the lymphatic system. Lymphatic Drainage is especially beneficial before or after surgeries, when dealing with chronic headaches, fatigue, or sinus infections and other illnesses. It can reduce discomfort and swelling in the lymphedema.

Hot Stone/ Pressure Points/Target Area-ADD ON

Add hot stones or pressure points when you need an extra area to target just that problem spot.

PMU and Brow Services

Blending Beauty and Confidence is the key to our PMU services. Save time, money and energy with cosmetic brow tattoos that look so natural.

Microblading-is a tattooing technique in which a small handheld tool and a blade is used to deposit pigment to the skin in a stroke-like manner. It's waterproof and smudge-proof. Best for those who want to fill in sparse areas. Note this may need to be done more often based on skin type and its process. Not suitable for oily skin.

Sash Signature Ombre Brows-Semi-permanent tattoo technique used to create the illusion of fuller, natural-looking brows. But, unlike micro blading, micro shading gives the appearance of a soft clean powdered makeup look starting very light at beginning of brow and more shaded from middle to end. This technique provides lasting results and is pain-free and smudge-free.

Sash Signature Powder Brows-Semi-permanent tattoo technique used to create the illusion of fuller, natural-looking brows. But, unlike micro blading, micro shading gives the appearance of a soft clean powdered makeup look. This is usually the same color throughout. This technique provides lasting results and is pain-free and smudge-free and works best on clients with sparse or thin brows throughout.

Sash Signature Combination Brows- This includes both Microblading to give the beginning of the brow natural hair strokes and Micro-shading to give the appearance of a soft makeup look. New Clients only with no previous PMU done. If have previous work, please call for more information.

Lip Blushing- is a semi-permanent makeup technique that creates a soft lipstick/lip gloss look. Lip blushing is done with a tattoo machine, with the use of lip pigments and the effects lasts 1-3 years. Some of the benefits includes lips that look more defined without fillers, restores color to pale lips and may eliminate the daily use of pencils to outline, fill in or reshape lip borders.

PMU and Brow Services

Deposit required to book PMU services

6-8 Weeks Touch Up (Step 2)-All permanent makeup procedures require a 6-week touch-up to complete the final look. This helps the PMU artist to see how it has healed and where to add additional pigment if needed and clean any areas that need to be re-shaped so it will last for a year and beyond. This will be booked by the artist at the initial appointment.

Color Refresh- After 3 months- 24 Months Annual touch-ups are usually required between 8-15 months based on your aftercare regimen. Depending on your after-care process, you may notice your brows last even up to 18 months although areas would have gradually faded. There are variety of options (3-7 months, 8-14 months, 15-24 months). This service must be previously done by Aphros Beauty. Book a consultation if done by another artist and send photos.

Brow/Color Corrector- If touchup or correction service is performed by another artist. This includes color correction and shape correction. A consultation at least 72 hours prior is required to see if a correction is needed. The client must submit photos of the eyebrows prior to treatment. Please email those to sash@aphrosbeauty.com or text them to 205-377-6511.

PMU & Para-Medical Services

Blending Beauty and Confidence is the key to our PMU services. We help our clients using cosmetic services when they feel there is no hope to look and feeling like themselves again after life changing events.

3D Realistic Nipple & Areola –is a painless tattooing technique in cosmetic procedure to help recreate an individual's nipple after undergoing a unilateral mastectomy and creating a highly realistic-looking nipple. These will appear 3D but will be flat to the touch. A consultation is required.

Areola Consultation– A consultation for discussion, color, insurance check, on 3D Areola. Must have consent release from doctor. Must be 6 months or more healed. Consult goes towards appointment once booked. Deposit required for all PMU.

Non PMU Services

We offer other temporary services for those who desire other options than PMU. These usually last 1-3 weeks depending on aftercare and day to day care.
